

LED LIGHTING

Low energy, elegant, light fittings throughout

INDOOR / OUTDOOR

Balconies with street or park outlook on most apartments connecting living areas with the outdoors

WONDERFUL WINDOWS

Double glazed windows to hold warmth, with security stays, and ventable latches to allow good airflow

PANEL HEATERS

Thermostatically controlled heating only required on the coldest days

CONNECTED

Entertainment area wired with broadband for TV streaming and freeview, wifi throughout

HONED BLOCK WALLS

Beautifully exposed block, wrapped outside with a cosy blanket of stonewool, providing thermal mass to store the warmth of the sun

CORKOLEUM FLOORING

Made from renewable cork bark from Portugal, warm & soft under foot, good sound insulation, and easy to look after

APARTMENT 8

(LOOKING OUT TO
STREET FRONT
BALCONY)
