

**RELAX, MEET OR DO YOUR WASHING**  
our gorgeous roof area ... you will love it..

Most apartment buildings would retain this wonderful top floor space with it's 360 degree views across Auckland as a premium penthouse apartment. We have kept it for everyone who lives at 26 Aroha to share.

Designed as a communal indoor & outdoor space for all residents where you can do your washing, relax with a book, connect to wifi & USB for a web fix, chill with family and friends, let your kids play, have a BBQ, or meet with folk to plan stuff over a cuppa.

### KITCHENETTE

Equipped with safe boiling hot water on tap, coffee maker, big fridge with ice maker, dishwasher.. to share some food or an evening sundowner

### FLASH SUPER ECONOMICAL LAUNDRY

High end Miele washing machines with 49min powerwash and automatic detergent dispensing, and NZ's most economical heat pump dryer (rated 10 stars) so no worries if you don't have time to hang it out. All powered by solar energy.

Washing basket racks for loads left by others so you don't have to wait, and tub for rinsing that dirty garden and sports gear. Washing lines just outside if you need them.
